

NYRA BOARD OF DIRECTORS

RESOLUTION 00-L

INTRODUCED BY MATT WALCOFF
ORIGINAL VERSION
PRINTED JUNE 18, 2000

1 Resolved,

2

3 A. The issues upon which the organization acts are limited
4 to those affecting people in their teens and 20s in the
5 United States.

6

7 B. The organization deals only with civil rights -- freedom
8 from oppression or discrimination by government, business or
9 other powers -- rather than entitlement rights. We do not
10 deal with issues like the quality of education or health
11 care young people receive.

12

13 C. The organization acts on issues that affect young people
14 alone. Laws that affect the entire population, even if
15 oppressive, are outside of our domain.

This resolution was approved by the NYRA board of directors.
